Logitech Solutions for Microsoft Teams Rooms on Android

Simple meeting room solutions for every space

Easily turn any space into a Microsoft Teams Room. Logitech solutions for Microsoft Teams Rooms on Android are preconfigured for simplified setup and management.

Deploy Logitech solutions for Microsoft Teams Rooms on Android — from video cameras and touch controllers to AI-powered meeting room accessories and desk booking solutions — for any room size or shape. Configure your small, medium, or large room, then customize with mounts and accessories to better equip each space.

Support for Microsoft Teams Rooms on Android means set up is remarkably simple with no need for a PC or Mac. Integration

with Microsoft IntelliFrame enhances meeting experience by intelligently framing in-room participants, while speaker recognition and attribution ensures every voice is heard and credited in meeting transcripts. Plus, device management has never been easier through the Microsoft Teams Admin Center.

Systems arrive neatly packaged and ready for secure installation. With premium components, clever cabling, and flexible mounting, Logitech room solutions make it easy to deploy Microsoft Teams Rooms throughout the workplace.

Android solutions for every room

Huddle to small

Rally Bar Huddle is an all-in-one video bar for small huddle rooms. With AI video intelligence, advanced sound pickup, noise suppression, and other ongoing software improvements, Rally Bar Huddle ensures a clear and natural meeting experience for remote employees — and it's quick to set up and manage in Teams Pro Management Portal or CollabOS.

Small to medium

Select Rally Bar Mini for brainstorming spaces and Rally Board 65 for open spaces.

Rally Bar Mini is a premium conference camera that features a motorized pan-and-tilt lens and AI viewfinder for enhanced auto-framing.

Rally Board 65 is an all-in-one collaboration device that combines powerful audio and video with a 65-inch touchscreen display.

Medium to large

In more extensive rooms, tables are longer and people sit farther from the camera. Choose between the all-in-one Rally Bar or the modular Rally System for these spaces. Both solutions offer a premium ultra-HD resolution conference camera that can support a wide range of room sizes and layouts.

Large to extra large

With a dual-camera system and RightSight 2 auto-framing technology, Rally Bar is a premium solution for large and extra-large spaces. The extra-large configuration features an expandable Rally Plus System with an ultra-HD Rally Camera, two speakers, and two mic pods for crystal-clear video and audio throughout the room.

Featured components

Logitech Rally Bar Huddle

AI conferencing features (Grid View and Front Row) and other updates available through CollabOS, without having to connect to a separate PC

Powerfully clear audio intake optimized by RightSound™ to ensure remote participants always feel included in virtual meetings

Automatic privacy shutter, one multi-mount that enables mounting in three configurations, secure cable management, and more

Logitech Rally Bar Mini

Premier all-in-one video bar with built-in Microsoft Teams Rooms support for small rooms, in graphite or white

Motorized pan and tilt lens provides expansive room coverage

Ultra-low distortion speakers deliver crystal clear sound

AI Viewfinder for enhanced RightSight™ auto-framing and people count

Add up to two Rally Mic Pods to extend audio coverage

Logitech Rally Bar

All-in-one video bar with built-in Microsoft Teams Rooms support for midsize rooms, in graphite or white

Lossless image quality up to 5X optical zoom, digitally enhanced to 15X total zoom

Large, ultra-low distortion speakers for room-filling sound

AI Viewfinder for enhanced RightSight auto-framing and people count

Add up to three Rally Mic Pods to extend audio coverage

Logitech Rally Plus with Roommate

Modular video conferencing system for large rooms with a computing appliance purpose-built for video collaboration

Customizable for large rooms of virtually any size or shape

Brilliant optics up to 5X optical zoom, digitally enhanced to 15X total zoom

Two Rally Speakers and two Rally Mic Pods (extensible up to seven) ensure every voice is clearly heard

Logitech Tap IP

Network-connected touch controller

- Responsive 10.1" touch screen
- Single Power Over Ethernet cable and secure cable management
- Supports "proximity join" to join a room or add it to a meeting

Optional table and riser mounts add convenience and rotate 180° for easy viewing. Or, add a wall mount to save space in small and multipurpose rooms.

Logitech Rally Board 65

Everything you need to quickly add video to meeting rooms and open spaces. Certified for Microsoft Teams Rooms on Android*, Rally Board 65 is an all-in-one video conferencing device that integrates crystal-clear video, powerful audio, and AI-driven features — all in a single 65" touchscreen.

Designed for flexibility, Rally Board 65 provides multiple mounting options: Position the camera above or below the screen to maintain natural eye contact in any space. Mount it on a table, credenza, or wall with a standard VESA mount. Or place it on a cart to have the flexibility to move it anywhere it's needed.

* Certification for Microsoft Teams Rooms on Windows is coming soon.

Other components

All components are included with the large room configuration. Rally Mic Pod Hub is optional for the small and medium room configurations.

Logitech Roommate

Computing appliance with built-in support for Microsoft Teams Rooms on Android.

Rally Mounting Kit (for Rally Plus)

Includes wall mounts for the camera and both speakers, plus mounts with cable retention for the display and table hubs.

Rally Mic Pod Hub

Connect up to three Rally Mic Pods for hub-and-spoke layouts and to minimize cabling.

Accessories

Logitech Sight

Tabletop camera with intelligent multi-participant framing. The best meeting room view, from anywhere.

TV Mount for Video Bars

Float Rally Bar Mini or Rally Bar above or below the room's display.

Wall Mount for Video Bars

Mount Rally Bar Mini or Rally Bar on the wall for minimal footprint.

Rally Mic Pod

Expand audio coverage and provide convenient access to mute controls. Compatible with Rally Bar Mini, Rally Bar, and Rally System. Available in graphite or white.

Rally Mic Pod Mount

Hide cables and anchor mics on the table or ceiling for a clean, finished look. Available in graphite or white.
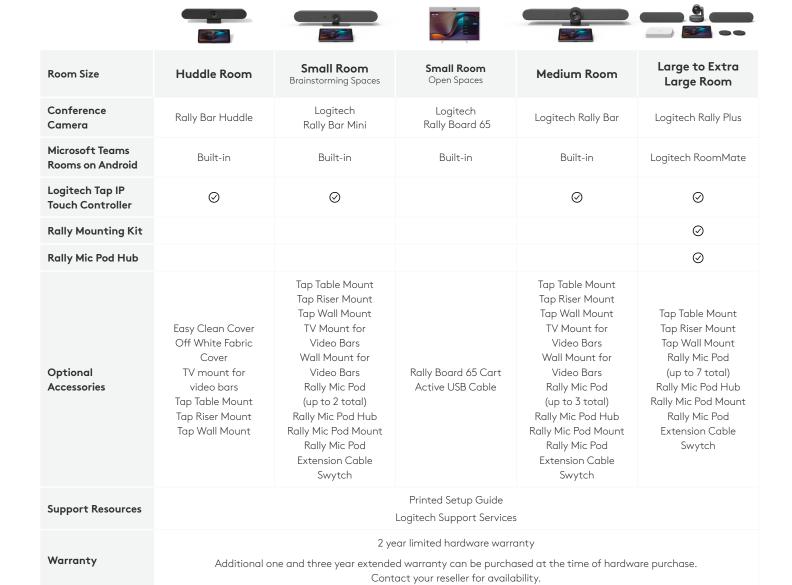

Logitech Swytch

Use the AV equipment in your Microsoft Teams Room with any meeting, webinar, or streaming application.

Rally Board 65 Cart

A purpose-built, durable mobile stand for effortlessly moving Rally Board 65 around workspaces.
